1. In response to amendment filed on 7 July 2005.

Allowable Subject Matter

2. The following is an examiner's statement of reasons for allowance: in view of the new claims 30-55 entered to clarify certain aspects of the claimed invention as well as arguments presented on page 9, "Jardin does not disclose all of the features recited in any of the pending claims ... For instance, claim 30 recites the operations of "based at least in part on the dynamically calculated available capacity of the server, automatically adjusting a configuration parameter of an SSL proxy device in communication with the server to modify how many SSL connections are to be processed by the SSL proxy device on behalf of the server". In addition none of the prior art teaches a configuration parameter specifying how many SSL connections a device can maintain.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance".
